Seriously, POTHOLEs are once again cropping up all over our neighborhoods. They are very annoying and can do serious damage to your vehicle. You can send your complaint to King County Roads Department detailing all your concerns. Be polite when you tell them that some serious repair work needs to be done, and resurfacing should be scheduled soon. Look how nice the re-surfacing of Cherry Valley Rd.

and Kelly Rd. turned out last summer, while other roads in the Big Rock Rd., Lake Joy and Lake Margaret neighborhoods remain in absolute terrible shape. Send to: Brandy.Rettig@kingcounty.gov. If we do not say anything now about our concerns, KC will likely do nothing at all. Meanwhile our taxes keep going up; it's time we speak up for ourselves.
