REMINDER—Please carefully read the letter that was mailed with the August billing about the increase in fees being collected with this October billing to pay for a new water storage tank as our current tank is in serious disrepair.

The letter outlined ways in which we can start the process for a new tank sooner than three years. Residents may pre-pay the total \$1,130.04 amount so there will be money in the bank right away, or loan money to the Lake Margaret Community in return for interest paid. Many residents have stepped forward to do both so it looks like we will be able to move forward on that very soon.

If you have questions please feel free to email or call our Water Chair Joe Connell. His information is listed below.
