ANNUAL MEETING

The Annual Membership Meeting will be held on Saturday, June 8th from 10AM until noon at the Cherry Gardens Lodge, located at 16533 Kelly Rd. NE, corner of Cherry Valley Rd. and Mountain View Rd. Elect board members, meet your neighbors, and enjoy fresh pastries and coffee.

VOTE

Water Systems Chair Joe Connell will make a presentation and give updates on the new water storage tank. It was delayed somewhat due to the snow in February but is now underway and will be completed before the end of the year.

BALLOTS are mailed with this newsletter. Please bring your ballot to the Annual Meeting. If you cannot attend you can mail your ballot to our PO Box—they must be received by June 3rd.

King Co, has approved a grant to provide chipper rental for four weekends so that residents can make their properties Firewise. Each year, wildfires consume homes in areas where homes are built near or among lands prone to wildland fire. Studies show that as many as 80 percent of homes lost to wildfires may have been saved if brush around the homes were cleared. There is no better time than now to prepare and educate your family, friends and neighbors. Make sure everyone knows what to do to protect people and homes in case of fire.

NEXT LMCPC BOARD MEETING—Immediately following the Annual Meeting
Saturday, June 8, 2019 at Cherry Gardens Lodge on Kelly Rd. and Mountain View

BECOME A FACEBOOK USER and “LIKE” us at Lake Margaret Community Purposes Club. Twitter is @LMCPCWA.

Residents may post comments, video or photos. There are some beautiful pictures on the Facebook page taken by local photographers both amateur and professional. Check the FACEBOOK page regularly for news about upcoming work parties, events and meetings.

First Community Clean-Up Day of 2019 will be **Saturday, June 15th**. We meet at the swim lot at **9AM** and work until around noon. Please call and leave a message

425.788.1627— **FREE PIZZA** to anyone who volunteers and RSVPs!

Projects in this and future work parties will include construction of a concrete pad and enclosure for a porta-potty at the swim lot, working on the steps at the private fishing lot so they are safer, mowing and trimming bushes at the swim lot and well lot, applying preservative to the logs at the shelter. We do NOT have to weed-whack the dam face, but we do need to work on the cat-tails at the out-flow on the south-east end of the lake.

Monday July 8th is the date set for Vision Quest Window Cleaning Service crew for those who signed up. Prices have been ranging in the \$200-\$250 range. There may be room for one or two more houses, so if you would like to get on the list please contact Sue Beauvais and include your address, phone number and email address, along with the total number of windows to be cleaned. Photos of the windows will help to determine an estimate beforehand.
