The Annual Meeting & Barbeque in June was very well attended; in fact, we had a quorum for the FOURTH time in about eight years. If you would like to have the minutes sent to you please email: suebeauvais@gmail.com.

Here are some simple steps to perform a water leak test at your home. Be sure to turn off all sinks, tubs, hoses, sprinklers, dishwashers, clothes washers, and showers, inside and outside of the house. Check the water meter in the water meter box out by the street. If the water meter is turning at all, you have a water leak. If it is turning quickly, it is can be a significant leak. Contact your preferred plumber to look at the leak and get it fixed. If you have a leak, please notify the water manager Carl Mueller, the water chair Joe Connell, or a member of the LMCPC board.

Sue's husband Tom Sinclair has been in the hospital and she has not been able to organize any work parties, etc. However, SeVerina Sol has stepped up to take on organizing work parties. If you are willing to help make our community a safer, more pleasing place to live please contact her at **206-931-7765** email: hersacredfiresalchemistry@proton.me

BURN BAN IN EFFECT! Due to the dry conditions outdoor burning is not allowed with the exception being charcoal barbeques or free-standing propane devices. For additional information or to check to make sure your fire is legal, go to the King County website:
